<https://www.tkd-itf-online.org>

or some national databases who are connected with Sportdata.

The declaration of consent and data protection for each competitor must be sent no later than 17th of April 2021 to hvones@itftkd.sport.

NOTE:

Please do not register competitors from the NA (AA) ITF-ONLINE level.

By doing so the NA will have to upload all the videos for all their registered competitors.

If the NA (AA) has any problems creating an access for clubs or schools in the ITF-ONLINE system, please do not hesitate and send to us an email and we will send to you a tutorial on how to do this.

Entry Fee

Entry fee for a competitor is **25 Euro**. Regardless of whether he starts only in individual, only in team or in individual and in team.

If the competition fees are not paid in full before 17th of April 2021 the competitors will not be allowed to participate in this e-Tournament.

Umpires

Umpires need to have a good internet connection for being an Umpire in an E-Tournament.

Registration:

1. Umpires must apply for participation through the ITF Umpire Committee until 10th of April 2021.
2. Umpires must create an account as E-Referee by themselves in Sportdata under following Link:
https://www.sportdata.org/taekwondo_itf/set-online/register_registrator_main.php?active_menu=registration&ereferee=true
3. Then Umpires must login with their account as E-Referee and choose the event "AETF European Open E-Tournament 2021" and register themselves as an E-Referee.
Now the Umpire is on the waiting list for the event "AETF European Open E-Tournament 2021".
4. After sending the list of the selected Umpires from the Umpire Committee to the administrator, then the administrator will confirm the selected Umpire in the system.

Competition Rules

The event takes place under the ITF World Cup Rules and Regulations, including all appendices:

<http://www.taekwondoitf.org/rules/#rules-regulations>

Additional specific rules for an E-Tournament:

These rules overrule the ITF World Cup Rules and Regulations, including all appendices for this tournament.

Colored Belt: 1 optional pattern chosen from those allowed for this category. Allowed Pattern will be published on the Sportdata website.

Black Belt: 2 designated patterns (created by Sportdata and published on the Sportdata website).

Team pattern: 1 optional pattern.

Pre-Arranged Sparring: 60-75 seconds between sijk and goman as written in the WC-rules.

For each round the Sportdata system will create a new Match-Code (created by Sportdata and published on the Sportdata website) and competitors have to make and upload a new video with the new Match-Code for this round.

The competitor must show this Match-Code together with themselves in the video.

The competitor must put aside the Match-Code without leaving the video.

The competitor cannot leave the video at any time.

Also, the video cannot have any interruption or cut.

The competitor goes to their starting point, bows, performs the ready stance and starts the pattern right away without any command.

In case of 2 patterns (Black Belts): Maximum 10 seconds time between the 2 patterns (from the final ready stance of the 1st pattern until sijk of the 2nd pattern).

After performing the pattern (or the 2nd pattern in case of black belts), competitors will return to ready stance, and then they will bow also without any command.

Competitors must mark the starting point on the ground.

Competitors must be full facing to the camera, at the moment they start to perform their pattern.

At no time may the competitor have less than 25% of the height of the video screen.

The video camera must stay on a fixed spot and cannot be moved. Zooming or rotating on spot are allowed.

In case that someone cannot make a video in a sports hall, the video can be made on any other place.

For each foot and each tool in each movement which are out of the video the Umpires will deduct 0.2 points.

If a competitor or competitors performed their pattern or sequence on a grass surface so high that stepping could not be properly seen and thus the foot position could not also be seen, Umpires should deduct 0.2 points for each movement not seen.

The video should not bigger than 100 MB if possible.

In case of not uploading a valid video in time, competitors will lose the match.

Any other exceptions to the rules will be mentioned in the coaches meeting.
